

South Florida Theatre Organ Society

As we are in the process of revitalizing the South Florida Chapter of the American Theatre Organ Society, we would love for you to join us on this amazing journey. You will hear the sounds of the pipe organ from world renowned organists from the USA as well as Europe. You will have the opportunity to see silent films accompanied by the theatre organ. Best of all, you will meet new people with interests that are similar to yours! There is nothing better than sitting back and listening to the incredible sounds of the Theatre Organ.

As we anticipate you joining the South Florida Chapter of the American Theatre Organ Society, please fill out our membership application:
